Re: 2019 Wolfeboro Vintage Race Boat Regatta,

September 12-14, 2019

The 2019 Wolfeboro Vintage Race Boat Regatta will be here sooner than you think. Winter is getting started here in New Hampshire and the sound of boats on the lake is a distant memory for now, but summer is just around the corner and regatta 2019 planning is going well.

Once again the Wolfeboro Vintage Race Boat Regatta will be presented by the New Hampshire Boat Museum, continuing an eighteen year partnership with the regatta committee for our 11th biennial event. We will have social events each night Wednesday September 11th through Saturday the 14th

Please mark your calendars now, we hope you will be able to attend. **Wednesday** September 11th will be a fun day for early arrivals with a boat ride on Lake Winnepesaukee and a get together in the evening with sponsors. Please join us Wednesday if at all possible. Boat registration and inspection as well as staging the boats in the pits will take place on Thursday, and heats will run on Wolfeboro Bay all day Friday and Saturday with social events each evening.

As many of you know, Wolfeboro is a beautiful venue but boat count is limited by the size of our pit area. We are limited to no more than 24 crane launched boats with Hydro's having priority regarding the crane. Additionally there is space for 15 ramp launched boats and 20 boats that will stay in the water. As mentioned above, mark your calendars now and feel free to contact me with any questions. Please take a look at the registration and lodging information and register as soon as you can, the roster will fill in quickly. Please contact me donniemclean@metrocast.net with any questions you may have or to also let me know you plan to join us.

Please send registrations directly to the museum at
New Hampshire Boat Museum PO Box 1195 Wolfeboro Falls, NH 03896
by phone at (603) 569-4554 or e-mail museum@nhbm.org
