## **Build a boat and paddle away this summer at NHBM**

Wolfeboro, NH--June 17, 2020--This summer, the New Hampshire Boat Museum (NHBM) will provide Boat Building classes for youth, adults and families.

In Youth Boat Building, August 3 – August 14, girls and boys (ages 12 and up) will be taught how to safely use hand tools and a limited number of power tools. In the class, participants may choose from the following kinds of boats: Two-person canoe, One-person kayak, or Bevin’s skiff.

“Thanks to generous donors, we offer scholarships for youth in need of financial assistance, said NHBM Executive Director Martha Cummings. “We do not want finances to present a barrier to participation.”

In Adult & Family Boat Building, July 11 – July 19, adults can work by themselves or with younger family members to build a Bevin’s Skiff, Two-person canoe, One-person kayak, Opti sailboat, or Paddleboard.

“We are extending registration until the end of June, but we only have 3 spaces available for the Adult and Families class,” added Cummings.

Founded in 1992 by vintage boating enthusiasts, NHBM is committed to inspire people of all ages with an understanding of, and appreciation for, the boating heritage of New Hampshire’s fresh waterways.

To learn more about NHBM, including its upcoming online Vintage Boat and Car Auction on Saturday, July 18, visit [nhbm.org](http://nhbm.org).
