NHBM to offer free admission day for health-care workers and teachers

Wolfeboro, NH—August 7, 2020—On Saturday, August 15, the New Hampshire Boat Museum (NHBM) will offer free admission for health-care workers and teachers.

“It’s our way to thank those who have worked so tirelessly on behalf of our communities during these extraordinary times,” said NHBM Executive Director Martha Cummings.

This year, the museum features “*Locally Produced*”, an exhibit presented by Eastern Propane and Oil that highlights local boat manufacturing companies. NHBM’s 2020 exhibit season is also sponsored by Meredith Village Savings Bank, Goodhue Boat Company, Stark Creative and Bank of New Hampshire.

If you are a health-care worker or teacher in New Hampshire, come visit us on Saturday, 10 am to 4 pm and no charge, and just bring your employer ID,” added Cummings.

Founded in 1992 by antique and classic boating enthusiasts, NHBM is committed to inspire people of all ages with an understanding of, and appreciation for, the boating heritage of New Hampshire’s fresh waterways.
