NEW HAMPSHIRE BOAT MUSUEM  
**CORPORATE SPONSORSHIP**

The New Hampshire Boat Museum was founded in 1992 by a group of antique and classic boating enthusiasts who wanted to preserve and share the boating heritage of New Hampshire's fresh waterways. We are much more than a museum, we are an experiential center that focuses on learning through doing by offering a wide range of hands-on programs and events. Each program and event offers an enjoyable opportunity to understand more, and garner an appreciation for, our boating heritage and the unique role New Hampshire's Lakes play in people's lives down through the ages.

**BUSINESS AND CORPORATE SUPPORT HELPS NHBM NURTURE A LANDSCAPE OF ENGAGING EXHIBITS, PROGRAMS, LECTURES, AND ENTERTAINING EVENTS.**
